Summary

Frontend-focused Full Stack Developer with 3+ years of experience leading cross-functional teams to deliver scalable web solutions. Proven expertise in modern frontend technologies (React, Next.js, Vue.js), UI/UX design (Figma), and full-stack development. Adept at optimizing workflows, improving user productivity by 30–70%, and driving projects from concept to deployment. Strong leadership background in startups and remote environments.

Experience

Marin Soluciones   Ciudad Guayana, Bolivar
Lead frontend   *Mar 2023 – Present*
developer &
Partner

- Spearheaded migration of legacy Microsoft Access software to a modern tech stack, improving security and scalability.
- Redesigned UI/UX using Figma, boosting user productivity by 30% through intuitive workflows and responsive design.
- Engineered a CI/CD pipeline with GitHub Actions, reducing deployment time by 40% and ensuring seamless updates.
- Collaborated on backend optimization, achieving 70% faster performance and enhanced data security protocols.

RWA Inc   Remote
Full Stack developer & Team Supervisor   *Jan 2024 – Present*

- Led end-to-end development of 5+ corporate tools, selecting tech stacks (React, Next.js, TailwindCSS) to meet project needs.
- Supervised 4 developers, enforcing code quality standards and improving team productivity by 10% via Agile workflows.
- Designed user flows and wireframes in Figma, aligning with stakeholders to ensure seamless UX across applications.
- Architected scalable solutions, including a dashboard that reduced client-reported issues by 25% post-launch.

Freelancer   Remote
                                                            Jan 2025 – Present

- Revamped HealthSci.AI's landing page, enhancing mobile responsiveness and UX, resulting in a 20% increase in user engagement.

Technical Skills

- **Frontend:** React, Next.js, Vue.js, TypeScript, TailwindCSS, HTML5/CSS3, Figma
- **Backend:** Node.js, Express.js, MongoDB
- **Tools:** GitHub Actions (CI/CD), REST APIs
- **Languages:** Spanish (Native), English (C1 – Professional Proficiency)

Leadership & Impact

- **Team Leadership**: Managed 4 developers across 5+ projects at RWA Inc, ensuring on-time delivery and code quality.

- **Process Optimization**: Reduced development cycle time by 15% at Marin Soluciones through automated testing and Agile retrospects.

- **Mentorship**: Trained junior developers in React best practices and Figma prototyping, improving team output consistency.
